

# Application ComLab#9

## Video Guidelines

### TECHNICAL DETAILS

Please make sure to follow these guidelines when filming your application video:

- You don't necessarily need to use a camera to record your video, a smart phone works just fine.
- Please record the video in landscape/horizontal format (16:9 – rectangular, no square frames).
- Choose a well-lit setting, no backlight please.
- Find a quiet spot for the recording. Avoid loud and distracting background noise.
- File formats: mp4, mov, avi, mpeg
- Length: approx. three minutes

Please send the material, ideally via <https://wetransfer.com/> download link, to [comlab@avh.de](mailto:comlab@avh.de).

### CONTENT

Please make sure to cover the following information in your video:

- Your name, country of origin, current residence, title of Humboldt fellowship programme
- If applicable, your experience with science journalism so far
- Please answer the following questions:
  - Why do you want to participate in ComLab#9?
  - Which topic of the conference are you most interested in and why?
  - What do you hope to achieve in ComLab#9?
